Group Visits - Coaches & Driving Routes

Our maximum permitted coach length is 11 metres.

Henry Moore Studios & Gardens is in a rural location accessible only via country roads, which narrow in many places to single file traffic. Therefore, we have set a maximum coach length for visiting groups of 11 metres and cannot accommodate larger coaches or double-decker buses parties arriving by these vehicles will be refused entry to the Studios & Gardens.

- All coaches should leave the M11 at Junction 8 or leave the A10 at Standon and follow the A120 to the Bishop's Stortford ring road.
